Selective Service: In general, all men ages 18 to 25 present in the US (regardless of citizenship or immigration status) are required to register for the US Selective Service. Only men who are in the US in valid nonimmigrant status (i.e. on a student, temporary worker, or visitor's visa) while between ages 18 to 25 are not required to register. If you were required to register at any time, even if you are over 25 now, please bring proof of your registration.

- If you do not have proof of your registration, you can go to the Selective Service website (www.sss.gov), enter your name, Social Security number, and birth date, and make a print-out showing that you registered. Bring this print-out with you. Or, you can call (847) 688-2576 to get proof that you registered. You should submit this with your N-400.
- If you did not register, please consult a qualified immigration lawyer or BIA accredited representative about your eligibility.
